Autism Services Instructor Therapist

Temporary Part Time Casual Relief Positions

About Maltby Centre

As the Lead Agency for Children's Mental Health and Autism Services, Maltby Centre provides a broad range of supports and services to children, youth and families in South Eastern Ontario. Our model is based in collaborative leadership both within our organization and in our community. Creating possibilities for change in young lives, we invest in our staff and support excellence in their provision of services.

About Autism Services

This is an exciting time to be in Autism Services. The new Ontario Autism Program (OAP) was launched in June 2017. As the Lead Agency for Autism Services for the South East region of Ontario, we provide OAP Foundational and Behavioural Services, Family Support, as well as Connections for Students.

About You

We are seeking Instructor Therapist candidates who are driven by a passion for the field of Applied Behaviour Analysis (ABA), and who are interested in working with children and youth with autism. You enjoy working in an engaging and collaborative way, as part of a team of professionals.

About the Role

Under the direction of the Clinical Supervisor and Program Manager, the Instructor Therapist implements behavioural assessments and interventions for children diagnosed with autism. These programs include intensive early intervention, groups and less intensive behavioural interventions.

Why Maltby Centre?

- ✓ Opportunity to work as part of a progressive inter-professional team of professionals
- ✓ An engaging place to work with excellent compensation, pension and benefits.

Responsibilities

- ◆ Contribute to ABA assessments, interventions and follow-up services to children with autism.
- ◆ Under the direction of the Clinical Supervisor, contribute to the development and implementation of individualized service plans (ISPs) and Behaviour Plans, in consultation and collaboration with families.
- ◆ Assist in the development and provision of individual and group-based intervention activities with children, youth and families congruent with individualized service goals.
- ◆ Develop professional working relationships and maintain professional boundaries with children, youth and families.
- ◆ Participate in and contribute to family and behavioural service planning and review meetings as required.

Skills and Qualifications

- Behavioural Science Program (BSP), Autism and Behavioural Sciences Post Graduate Certificate, Behavioural Psychology Degree, or equivalent.
- Early Intensive Behaviour Intervention experience is an asset.
- Demonstrated knowledge of autism, child development and Applied Behaviour Analysis (ABA).
- Must successfully complete agency required training in Applied Behaviour Analysis and Intensive Behaviour Intervention.
- Valid Province of Ontario driver's license as well as automobile insurance with a minimum liability of one million dollars for *business purposes*.
- Candidates Bilingual in English and French will be given special consideration.
- Satisfactory Criminal Record Check (including Vulnerable Sector Screening) and Pre-Employment health assessment.

Application Process

Applications are invited at any time. Please submit cover letter and résumé quoting **Job Posting number E2018-02**, clearly indicating how you meet the qualifications by email and addressed to:

The Hiring Committee, Maltby Centre
31 Hyperion Court, Suite 100, Kingston, ON K7K 7G3
