## Mental Health Counsellor-Young Children

### One Temporary Full Time Position to March 29, 2019

#### About Maltby Centre

As the Lead Agency for Children's Mental Health and Autism Services, Maltby Centre provides a broad range of supports and services to improve the wellbeing of children, youth and families in South Eastern Ontario. Our model is based in collaborative leadership both within our organization and in our community. We invest in our staff and support excellence in their provision of services.

#### About Children's Mental Health

Child and Youth Mental Health is an exciting, challenging and rewarding field, particularly at this time of system transformation. We are looking for a candidate who is driven by a strong desire to create possibilities for change in young lives, and enjoys working in an engaging and collaborative way.

#### About You

We are seeking a Community Counsellor candidate who is passionate about providing high quality child and youth mental health services. This position is based in Napanee.

#### About the Role

The Mental Health Counsellor provides assessment and case management services to children, youth and their families to address mental health problems that are impacting on their functioning at home, in school and/or in the community. Within their scope of practice, the incumbent also provides supports and interventions utilizing evidence-informed therapeutic approaches and clinical practices. In addition, this position provides individual and program consultation to community programs serving children and youth. In addition, provides intervention and trauma treatment services to children and their families, as well as clinical expertise around mental health issues for children under six years.

#### Why Maltby Centre?

- ✓ Opportunity to work as part of a progressive inter-professional team of professionals
- ✓ An engaging place to work with excellent compensation, pension and benefits

## Responsibilities

- ◆ Provide clinical mental health services (assessment, intervention and case management) to children and their families;
- ◆ Provide individual and group counselling and program consultation to community programs, with emphasis on services for children from birth to age six and their families, and trauma treatment services;
- ◆ Provide mental health treatment, prevention and early intervention services;
- ◆ Provide community development and education regarding children's mental health issues;
- ◆ Provide clinical expertise around mental health issues for children under six years.

## Skills and Qualifications

- ◆ Bachelor of Social Work or other related undergraduate program (e.g. Psychology), preferred or Child and Youth Care Diploma or Diploma in a related field with additional formal training in family and individual counseling. Formal training in family and individual counseling with children and youth, utilizing a variety of therapeutic approaches and clinical practices;
- ◆ At least three years full-time work experience or equivalent in a combination of child, youth, family and group counselling;
- ◆ Current unrestricted registration with a regulatory college to perform psychotherapy is required. Candidate must be registered by: the College of Registered Psychotherapists of Ontario; or the Ontario College of Social Workers and Social Service Workers; or the College of Psychologists of Ontario by December 31, 2019. If not a member of a regulatory college as above, submit current proof of eligibility for membership as part of your application;
- ◆ Preference will be given to those candidates who are bilingual;
- ◆ Valid Province of Ontario driver's license as well as automobile insurance with a minimum liability of one million dollars for business purposes;
