

Have you or a family member had experience with the child and youth mental health system?

Do you want to work with other passionate individuals to help improve it?

## JOIN THE KFL&A CHILD AND YOUTH MENTAL HEALTH **FAMILY ADVISORY COMMITTEE**

### **VISION:**

The children and youth of KFL&A are well supported by the mental health service system.

### **AIM:**

Bring together family members who are interested in participating in a regular forum to collaborate with and improve children and youth mental health services in KFL&A.

### **COMMITMENT:**

- Attend committee meetings as often as once per month in Kingston
- Think broadly about issues, beyond personal experience
- Share suggestions and potential solutions to help improve services
- Respect the experience, opinions, and confidentiality of all members
- Financial assistance for transportation or childcare may be available
- An honourarium may be offered for your participation
