Bilingual Senior Mental Health Therapist

French Language Services

About Maltby Centre

As the Lead Agency for Children's Mental Health and Autism Services, Maltby Centre provides a broad range of supports and services to children, youth and families in South Eastern Ontario. Our model is based in collaborative leadership both within our organization and in our community. Creating possibilities for change in young lives, we invest in our staff and support excellence in their provision of services.

About Children's Mental Health Services

Child and Youth Mental Health is an exciting, challenging and rewarding field, particularly at this time of system transformation. We are looking for a candidate who is driven by a strong desire to create possibilities for change in young lives, and enjoys working in an engaging and collaborative way.

About You

We are seeking a candidate who possess a Master of Social Work or equivalent Master's degree in a Regulated Health Profession, with additional formal training in family and individual counselling with children and youth, utilizing a variety of therapeutic approaches and clinical practices.

About the Role

The Senior Mental Health Therapist – French Language Services provides assessment and case management services in French to children, youth and families from the francophone community to address mental health problems that are impacting on their functioning at home, in school and in the community. This position also provides supports and interventions utilizing evidence-informed therapeutic approaches and clinical practices. Working closely with the Program Manager, the Senior Mental Health Therapist - FLS also supports and enhances the climate of continuous service improvement and community collaboration through conducting research, and providing peer and community consultation.

Why Maltby Centre?

- ✓ Opportunity to work as part of a progressive inter-professional team of professionals
- ✓ An engaging place to work with excellent compensation, pension and benefits

Skills and Qualifications

- ◆ Master of Social Work or equivalent Master's degree in a Regulated Health Profession
- ◆ Additional formal training in family and individual counselling with children and youth, utilizing a variety of therapeutic approaches and clinical practices
- ◆ Two years' experience working with children and youth with mental health issues that affect their functioning in areas such as home, school or the community
- ◆ Must be a Registered Psychotherapist or must hold a current unrestricted registration with a regulatory college with requisite qualifications to perform the controlled act of psychotherapy
- ◆ An equivalent combination of education and experience may be considered
- ◆ Current certification in First Aid and Cardiopulmonary Resuscitation (FA/CPR), Non-violent Crisis Intervention (NVC), Applied Suicide Intervention Skills Training (ASIST) and Workplace Hazardous Materials Information Systems (WHMIS), an asset
- ◆ Fluency in French and English, with oral and written capacity, successful completion of French Proficiency testing required.
