Mental Health Therapist

About Maltby Centre

As the Lead Agency for Children's Mental Health and Autism Services, Maltby Centre provides a broad range of supports and services to children, youth and families in South Eastern Ontario. Our model is based in collaborative leadership both within our organization and in our community. Creating possibilities for change in young lives, we invest in our staff and support excellence in their provision of services.

About Children's Mental Health Services

Child and Youth Mental Health is an exciting, challenging and rewarding field, particularly at this time of system transformation. We are looking for a candidate who is driven by a strong desire to create possibilities for change in young lives, and enjoys working in an engaging and collaborative way.

About You

We are seeking a Mental Health Therapist candidate who is passionate about providing high quality child and youth mental health services. This position is based in Northbrook. We are seeking a worker who values our rural communities, knows how to provide excellent service within a rural context, and has experience collaborating with community partners.

About the Role

Under the direction of the Program Manager, the Northbrook Mental Health Therapist will provide clinical mental health assessment and treatment to the children, youth, and families of Northbrook and the surrounding areas.

Work as part of Maltby Centre's Counselling and Therapy Team, to ensure that those who reach out receive high quality, accessible, evidence informed mental health services.

Why Maltby Centre?

- ✓ Opportunity to work as part of a progressive inter-professional team of professionals
- ✓ An engaging place to work with excellent compensation, pension and benefits

Responsibilities

- ◆ Individual and group counselling and program consultation to community programs serving children and youth residing in Northbrook
- ◆ Clinical casework (assessment, intervention and case management) services to children and their families
- ◆ Prevention and early intervention services
- ◆ Community development and education regarding children's mental health issues
- ◆ Knowledge, experience and commitment to working in rural communities are essential

Skills and Qualifications

- ◆ Academic preparation to practice the controlled act of psychotherapy
- ◆ Formal training in family and individual counselling with children and youth, utilizing a variety of therapeutic approaches and clinical practices
- ◆ At least three years' full-time paid work experience working with children and youth with mental health issues that affect their functioning in areas such as home, school or the community
- ◆ Must be a Registered Psychotherapist or must hold a current unrestricted registration with a regulatory college with requisite qualifications to perform the controlled act of psychotherapy
- ◆ Preference will be given to those candidates who are bilingual
- ◆ Valid Province of Ontario driver's license as well as automobile insurance with a minimum liability of one million dollars for *business purposes*
- ◆ Satisfactory Criminal Record Check (including Vulnerable Sector Screening) and Pre-Employment health assessment

Application Process

We request that all applicants submit their cover letter and résumé quoting **Job Posting number**, clearly indicating how you meet the qualifications by email and addressed to:
